

These instructions have been automatically generated by BrickStep (<https://brickstep.net/>) from an input file 20011-1.mpd by Ken Drew. The input file was downloaded from the LDraw Official Model Repository (<https://library.ldraw.org/omr>) and is available under CC BY 2.0 license. It represents the Lego model 20011 "Garbage Truck".

The following settings have been used:
Split model into subassemblies: checked
Preserve existing subassemblies: unchecked
Split subassemblies into building steps: checked
Preserve already defined steps: unchecked
Arrange steps on pages: checked
Adjust step image sizes for LDView renderer: unchecked
Page width: 29.7
Page height: 21
The PDF file was rendered using LPub3D (<https://trevorsandy.github.io/lpub3d/>).
